Shoreline Naturalization Information

OMEMEE- Learn about Kawartha Conservation's shoreline naturalization demonstration site underway along the beach at the Omemee Municipal Park. What is its purpose? What are the benefits of a naturalized shoreline? How are Canada geese best controlled? For answers to these and other questions, attend this free event on Tuesday October 23, 2007 7-9 pm at Coronation Hall in Omemee.

Sasha Lambrinos and Kristie Virgoe will be your hosts for this event. Participants are invited to bring their questions and concerns about the naturalization process and the Omemee Beach project. No registration is required, however, for more information, please contact Sasha at 705-328-2271 ext. 224.
