

# Create Your Own Fairy Garden

## Materials

- Box
- Potting soil
- Newspaper
- A backyard or forest to grab nature materials
- Trowel
- Moss
- Glue
- Anything else your fairy hearts desires (shells, toadstools, stones, a fairy...)

## Instructions

- Line your box with newspaper
- Add your potting soil
- Go on a backyard or forest hunt to find some fairy garden plants
- Take a trowel, dig up the plants you find and transplant them into your box of soil
- Arrange all the fairy treasures in amongst your garden and if you wish glue some dried moss onto the outside edges of box.
- AWAIT THE FAIRIES!
