REINDEER

Instructions

- Find a pinecone and two sticks outside.
- Cut two small ears using brown construction paper.
- Glue, eyes and nose on the front and ears on the top of pinecone.
- Attach sticks using glue to top of head for antlers.
- Attach a string to top of pinecone for hanging.

CHRISTMAS TREE

Instructions

- Find a large pinecone outside
- Put a dab of glue on each of the petals and stick small red, green, or white pom poms to the top of each petal.
- Attach a string to top of pinecone for hanging.

Optional Idea—Instead of using pom poms you can also dab pinecone with glue and sprinkle coloured glitter to make a sparkly pinecone ornament!
