

# Christmas Nature Ornaments

## Activity Ideas # 2

### Stick/Wood Cookie Ornaments

Nature Materials	Craft Materials
Sticks or Branches	Twine/String
Wood Cookie	Popsicle Stick
	Glue
	Markers/ Glitter Glue

#### Instructions

#### CHRISTMAS TREE

- Collect a handful of sticks or branches outside.
- Cut sticks/branches into different lengths starting from small to large increasing the length slightly with each stick to form a triangle.
- Then transpose the triangle you created in the previous step onto either a popsicle stick or another longer branch using glue.
- For the top of the tree, you can use gold glitter glue or cut out a yellow star using construction paper and glue it on.
- Attach a string to top of popsicle stick for hanging.

#### CHRISTMAS WOOD COOKIES

#### Instructions

- Find large old branch outside and get an adult to cut the branch into circular cookies.
- Grab some markers or g glitter glue and design a Christmas picture or saying on the front and back of cookie.
- Attach a string for hanging.
